Joseph E. Shaner Co. Welcomes New Membership Coordinator

BALTIMORE – The Joseph E. Shaner Company (JES) welcomes **Natalie Pinkney** as the new membership coordinator. Natalie took over the reins for Lynn Morton, who had been with the company for over a year.

Ms. Pinkney serves as the membership coordinator for eight professional associations, with a primary focus on new memberships, renewals, and member records. She also provides client services for all association members.

She is excited to jump right in and get to know the people that make up the various clients membership. "I am ready to dive in and start learning about our clients. I am excited to start growing membership and helping to recruit new members to join the associations," said Pinkney.

JES is Baltimore's largest Association Management Company and is one of a select group of national association management companies to have been accredited by the American Society of Association Executives (ASAE) for meeting rigid standards of practice. Established in 1974, the company provides association management services to more than a dozen prominently recognized non-profit trade and professional associations.
